

**STORE MANAGER RADOLFZELL**

**I'M INTERESTED**

**We are now searching for a Store Manager to our fantastic Outlet store in Radolfzell. The store has a fantastic team of retail salesmen with excellent knowledge of our fantastic line of products. The only thing we need is someone the lead the way!**

**As a Store Manager at Peak Performance you will focus on the following things:**

**Operate and maximize the profitability of the store. Make sure that the store delivers a premium level of consumer experience. Lead and motivate your team, in order to optimize the sales and results in the shop by securing professional, efficient and competent store operations. Inspire the staff by contributing knowledge and self-confidence with regard to leadership and sales. Be a store manager who sells and who visibly demonstrates leadership in the store and continuously improving and developing your own and the team's skills.**

**The store in Radolfzell is a part of our Outlet concept which means a high volume of products for the team to handle. To do this in the best way you need to have constant overview over stock and sales with a logistic mind set.**
